Plant/Flower based beverages are one of the new trends and Deep Water USA Inc. wants to be a big player. Our first flavor, Deep Rose, a premium Rose Lemonade, has been such a success within its first year of introduction that we are planning to add 2 more flavors next year.

DEEP WATER USA INC. We are an exclusive beverage company targeting the discerning consumer looking for something distinctive. We are introducing flower beverages from the ancient world to the modern. All our flowers are sourced from all over the world. Our first drink, Deep Rose will be followed by more Deep Drinks such as Deep Mint and Deep Elder.

Flowers are all about
Love and Love is Universal. Share "Deep Rose" with your loved ones and spread our
